

**Cyclamens and Swords April 2011**

**Dublin Cafe**

**Michael E. Stone**

The via Dante glimpsed on a poster  
written in letters in largest size type  
in a Dublin cafe with moveable types,  
in a place that reeks of stereotypes,

Of yuppie and not bohemian types,  
And Swiftian Shavian literary types,  
Eating a special dinner for tourist types,  
Irish stew of Guinness and poetry pubs.
