1 Soldiers Field Park, apt. 508  
Boston, MA 02163

## Words

Michael E. Stone

Thom Gunn wrote a poem about coming to a point in life,  
where words were like small dogs yapping at his trouser sleeve  
— yet he needed words,  
to assert his truth beyond words.

We wrestle words into our meaning's moulds.  
But, once cast ,  
they say something else,  
or more.
